May 2010 **PULPIT** Announcement

Do you, or someone you know, still need help to recover from Hurricane Ike? There are programs run by Galveston County and faith based groups which could help you repair your Ike damaged home, replace lost or damaged property and obtain the advice and support you need to finish your recovery. You need to apply to these programs before they close. Most people will qualify for help, regardless of their income, but you have to apply. You can find the phone numbers you need to call by: (State where you will have the printed phone numbers) ...e.g in the bulletin, in a posted flyer, with a person who is your Congregation Contact.
