Informing Our Community about Ike Resources

We will support recovery in our community by:

Asking a person or group in our congregation to be our contact who will receive and review information about disaster recovery resources. Your contact will then be able to provide current recovery information to your members and community.

The name of our contact is: _____. Phone _____

Or

I will send the name, phone and/or e-mail of our contact to info@gulfcoastinterfaith.org and they will share that information only with appropriate city, county and faith based agencies responsible for sharing Ike recovery information.

Reminding and leading our faith community to pray for those who are still working to recover from the effects of Hurricane Ike and the economic downturn which followed.

Running a bulletin announcement in May to remind members of how to seek assistance.

Making a pulpit announcement in May to remind members how to seek assistance during May and periodically after that.

Including a flyer about Ike recovery resources in our weekend bulletin during May.

Allowing Galveston County Housing Assistance Program to have a speaker or an information table at a worship service, Sunday School class or mid-week prayer service.

Sharing information about disaster recovery resources with other pastors and churches in my denomination, clergy association or community.

Congregation contacts can find out more about disaster recovery resources by:
